I'm learning about these 3406B Cat engines that have been used in trucks over years. We have most trucks here that are powered by a Cat from the B's to the C15 ACERT. The two we have, one is a 1987 Pete and the other is a 1990 International. The 1992 Pete uses a B model but has a different turbo being the only thing from the other two.
