Chinese Inspector Harry Chin, and his aboriginal partner Ash Friday, are sent to Darwin Australia to investigate the murder of an Australian Federal Police Officer Peter Riggs. Riggs had been working undercover on an international heroin ring that seems to be coming in through the Port of Darwin. The officer had been found in his car dead from an overdose of heroin, the very drug that he had been investigating. Everything seems to be pointing to a heroin ring, but Harry thinks it's all a little too convenient. This is the 3rd in the Harry Chin Murder

In a cave in the hills, seven candles burned, and tonight, when the moon was at its full, it would be time to light another. Oh, the Blood Moon was so aptly named... Three ritual killings on the same night can't be coincidence. More an attempt to sabotage the peace between Sparta and her new allies from across the Black Sea. High Priestess Iliona has no wish to become embroiled in politics. Especially now. The son she gave up at birth has discovered her identity, and emotions she'd worked so hard to lock away have surfaced, raw and painful. But Lysander, commander of Sparta's hated Secret Police, gives her no choice. And because she hopes that uncovering conspiracy, murder, kidnapping and adultery

will help dull her pain, she fails to notice a killer on the loose with a pathological hatred of women. Who's picked Iliona as his next victim.

It's out of the frying pan and into the fire for this private investigator. I've barely learned that vampires exist, and I've somehow killed one, and I'm dating another. Life is complicated. My recent case has some loose ends—and I'm one of them. A powerful paranormal family hired me to find their missing daughter, but the Taylors have some skeletons in their closet. If I don't want to become one, I need to work faster and smarter. My survival depends on it. When I thought things couldn't get worse, Adam vanishes without a trace and, according to Jacob, a witch may be to blame. Did I

mention that witches give me the creeps? Time is running out for Adam and me. It's imperative that I find the missing girl to prevent a bloody shifter turf war, but finding Adam is all I can think of. It may have taken losing Adam twice to make me realize I need him in my life, but I won't let him go without a fight. ?????? "Samantha's life has sure gotten a whole lot more complicated since she learned about the paranormal world around her. Sam's new case introduces her to werewolves, and she's surprised to find out that some of her friends are wolves. But as the mystery and danger heats up on the case, a vengeful person from Adam's past comes back threatening the developing relationship between them. As Sam learns more about the paranormal world, she's got more questions than answers and some of those questions are about herself.

royal houses - one by one. Who that someone or someones are, or how they are doing this is unknown. But not unwatched. The question is whether the watchers can solve the mystery in time. And do something effective to stop the disappearances. Before these city-colonies, and their hopes for rescuing humanity - die. Get Your Copy Now.

Christmas Eve is very different this year in Atlanta, Georgia. The serial killer dubbed as “The Horseman” has been slicing a bloody path through the beautiful capital of Georgia. However, there is more to the story. The “Horseman” may be responsible for over fifty murders where each victim has been beheaded—and the heads never found. This includes a past secretary of state, which prompts calls to be made at the

highest levels of law enforcement, the formation of a special task force headed by the FBI and the recruitment of CIA Agent, Jedadiah Flynn who sometimes is “loaned out” to the FBI on particularly bizarre cases. Everyone seems to have secrets and Flynn’s involvement with the daughter of one of the victims makes things personal. Especially when the biggest secret of all is revealed on Christmas Eve. And just what is the organization known as “The 34”?

It begins in 1964 with the sudden and unexpected death of Sergai Korolev, the man who ran the Soviet Space Program. Young Yuri Ribko, an engineering student working for one of the Korolev's bureaus, is either fortunate or unfortunate to have an uncle who is a high ranking member of State

security. Yuri's uncle recruits him to spy within the Bureau, to assist in identifying possible threats to the Space Program. In return, Yuri is set on a fast-track of promotion, from engineering assistant to cosmonaut. From the earliest work on Russia's lunar lander, through a devastating string of exploding launch vehicles and deadly landings, *Red Moon* gives us an insider's view of Russia's gallant but doomed Moon Shot.
