Whether you're a digital or a film photographer, you can learn to leverage today's technologies to create masterful prints of your work, and this unique book is devoted exclusively to teaching you how. In it, renowned photographer, educator, and author Jeff Schewe presents targeted chapters on digital printing from Lightroom and Photoshop and shares his expert techniques for optimal output and fine-art reproduction. A companion to *The Digital Negative: Raw Image Processing in Lightroom, Camera Raw, and Photoshop*, this book teaches you how to take your already perfected images and optimize them for the highest quality final printing. Jeff teaches you about printer types and principles of color management so you get the results you expect. He also shares his strategies on proofing, sharpening, resolution, black-and-white conversion, and workflow, as well as on identifying the attributes that define a perfect print. Learn techniques for optimizing your images for printing Discover

how color management can work for you instead of against you Develop an eye for the perfected print

The best, full-service guide to the best full-service printer is now thoroughly updated, with the latest information on the new Epson printers, materials, software and other products. Epson is the company at the cutting edge of digital photo quality printing, and their superb equipment makes possible for everyone to print sparkling photographs at home. With the help of Rob Sheppard, editor of Outdoor Photographer and PCPhoto magazines, and this fully updated manual, amateurs can enter Epson's brave new world with all the latest information on printers and papers. Two-page spreads with write-ups and pictures from acclaimed photographers George Lepp, John Shaw, Greg Gorman, Jack Reznicki, Joyce Tenneson, and others explain how Epson printers and digital photography have enhanced their art and expanded their business. There's advice on choosing a printer, selecting standard and specialty papers, using image processing programs to refine photos, adding finishing touches that turn a good print into a great one, and much more.
