and Elissa Washuta's "My Body is a Book of Rules," while billed as a memoir, is much more inventive than the limitations and formulas of the genre. Washuta, a Cowlitz Indian born in New Jersey, writes about culture, race, religion, sex, the body, and education, among other things, in an unflinching and penetrating way that almost dares you to look away.

### Transcript: Into 'My Body is a Monument'

“ My Body Is a Book of Rules chronicles the Chutes and Ladders-style descent into the body and ascent out through the head that is our present coming-of-age myth. A sweet soul will spill out; they just do. We're lucky that every now and then, someone as thoughtful as Elissa Washuta takes the time to record what this feels like.”

My Amazing Human Body Book Description : Children learn about the human body as they take their zany guide, Seemore Skinless, through a busy day to find out how the body copes with hunger, thirst and tiredness. The CD-ROM analyzes body systems, bones and organs and answers children's common questions about their bodies.
