We don't have the first book, so I can definitely say that this book can stand on its own merit. My 6 and 3 year old boys love this story. From the funny illustrations (just look at how many things those pirates practiced diapering) to the silly pirate greek chorus (they get to echo what Braid Beard, their captain says or what he orders them ...

A really fun book. Not quite as good as the first book Boys Don't Knit, but still full of laugh-out-loud and some cringe laugh moments. I think the highlight of the book for me was the PR person Ben was assigned to, Brandi. She felt like a very stereotypical American in the funniest ways.

This is a cute picture book with fun rhyming text that tells the story of a young pirate who loves to knit, even though everyone around him makes fun of him and he gets in trouble with his captain for it. The message that it's okay to do your own thing is told with a fun pirate story that has adventure, buried treasure, and a dangerous monster.

Boys Don't Knit was the second book I read in June for #aryaclub, a young adult book club. Tom Easton read from Boy's Don't Knit back in March at the Drink Shop Do Speakeasy. I rarely find books that are 'laugh out out'-funny, but Tom's reading was so hilarious that it made everyone on my table want to read the book even more – so we did.

It just sort of happened. I was asked to write a follow-up to my 2014 book *Boys Dont Knit*, a story about a boy taking up a non-traditional pastime (knitting, obv's). *Girls Cant Hit* just seemed like the other side of the same coin. But of course a book about a girl who takes up boxing HAS to be a feminist novel, because theres so much to deal with.
