search of a savior for this troubled world. in New York City, rosemary's son Andy is believed to be that savior. But is he the force of good his followers accept him to be? Or is he his father's son? Rosemary and Andy will be reunited in a battle of wills that shall decide the fate of humanity—and keep readers on the edge of the seats until the final page.

Ira Levin returns to the horror of his 1967 groundbreaking novel Rosemary's Baby with this sequel set at the dawn of the new millennium. Thirty-three years ago, Rosemary gave birth to the Devil's child while under the control of a coven of witches. Now the year is 1999, and humanity dreads the approaching twenty-first century, desperately in search of a saviour for this troubled world. In New York City, Rosemary's son Andy is believed to be that saviour. But is he the force of good his followers accept him to be? Or is he his father's son? As the war between good and evil rages on unabated, the fate of humanity hangs in the balance, in this shocking and darkly comic novel from the modern master of suspense.

A masterpiece of spellbinding suspense, where evil wears the most innocent face of all... Rosemary Woodhouse and her struggling actor husband Guy move into the Bramford, an old New York City apartment building with an ominous reputation and mostly elderly residents. Neighbors Roman and Minnie Castavet soon come nosing around to welcome the Woodhouses to the building, and despite Rosemary's reservations about their eccentricity and the weird noises that she keeps hearing, her husband takes a special shine to them. Shortly after Guy lands a plum Broadway role, Rosemary becomes pregnant, and the Castavets start taking a special interest in her welfare. As the sickened Rosemary becomes increasingly isolated, she begins to suspect that the Castavets' circle is not what it seems...

By the author of Rosemary's Baby, a horrifying journey into a future only Ira Levin could imagine. Considered one of the great dystopian novels—alongside Anthony Burgess's A Clockwork Orange and Aldous Huxley's Brave New World—Ira Levin's frightening glimpse into the future continues to fascinate readers even forty years after publication. The story is set in a seemingly perfect global society. Uniformity is the defining feature; there is only one language and all ethnic groups have been eugenically merged into one race called “The Family.” The world is ruled by a central computer called UniComp that has been programmed to keep every single human on the surface of the earth in check. People are continually drugged by means of regular injections so that they can never realize their potential as human beings, but will remain satisfied and cooperative. They are told where to live, when to eat, whom to marry, when to reproduce. even the basic facts of nature are subject to the UniComp's will—men do not grow facial hair, women do not develop breasts, and it only rains at night. With a vision as frightening as any in the history of the science fiction genre, This Perfect Day is one of Ira Levin's most haunting

As the sickened Rosemary becomes increasingly isolated, she begins to suspect that the Castavets' circle is not what it seems...

The classic thriller of Dr. Josef Mengele's nightmarish plot to restore the Third Reich. Alive and hiding in South America, the fiendish Nazi Dr. Josef Mengele gathers a group of former colleagues for a horrifying project—the creation of the Fourth Reich. Barry Kohler, a young investigative journalist, gets wind of the project and informs famed Nazi hunter Ezra Lieberman, but before he can relay the evidence, Kohler is killed. Thus Ira Levin opens one of the strangest and most masterful novels of his career. Why has Mengele marked a number of harmless aging men for murder? What is the hidden link that binds them? What interest can they possibly hold for their killers: six former SS men dispatched from South America by the most wanted Nazi still alive, the notorious “Angel of Death”? One man alone must answer these questions and stop the killings—Lieberman, himself aging and thought by some to be losing his grip on reality. At the heart of *The Boys from Brazil* lies a frightening contemporary nightmare, chilling and all too possible.

Twenty year old Susan, a Boston University student, is accosted in a restaurant by a charming elderly Irish couple who think she resembles a long-dead daughter of the family for whom they work. Susan is induced to impersonate Veronica and once locked in her room, find herself in the role or is she really Veronica?

If you're an audience member or movie critic, you sit in a dark cinema and pray for a fascinating tale expertly told. If you are a producer, director, screenwriter or performer, you pray for a well-received and financially successful film. On June 12, 1968, prayers were answered. Rosemary's Baby hit American theatres. This book is a definitive illustrated history commemorating the 50th anniversary of this landmark picture, from director and casting choices to the kudos and condemnation it received upon its release.
