VAIN - Part Two (Audio Download): Amazon.co.uk: Deborah ...
New York Times and USA Today bestselling author, Deborah Bladon, has never read a romance hero she didn't like. Her love for romance novels began when she was old enough to board the bus, library card in hand to check out the newest Harlequin paperbacks.

VAIN - The Complete Series: Part One, Part Two & Part ...
Bear with me one last time... Amazon has published VAIN – Part Two, but the purchase page seems a bit glitchy right now.For some, they can purchase the book, while for others, they cannot.I have no idea what is going on, so I ' m going to share the link regardless and cross my little fingers and toes that it is available by the time I wake up from some much needed sleep.

From New York Times bestselling author, Deborah Bladon, the second part of VAIN, a three - part contemporary romance... (ISBN-9781926440026)

Longlisted for the Booker Prize Named a Best Book of the Year By: The New York Times Book Review (Notable Books of the Year) * The New York Public Library * The Washington Post * Time.com * The New York Times Critics' (Parul Seghal's Top Books of the Year) * St. Louis Post Dispatch * Apple * Publisher's Weekly An electrifying novel about beauty, envy, and carelessness from Deborah Levy, author of the Booker Prize finalists Hot Milk and Swimming Home. It is 1988 and Saul Adler, a narcissistic young historian, has been invited to Communist East Berlin to do research; in exchange, he must publish a favorable essay about the German Democratic Republic. As a gift for his translator's sister, a Beatles fanatic who will be his host, Saul's girlfriend will shoot a photograph of him standing in the crosswalk on Abbey Road, an homage to the famous album cover. As he waits for her to arrive, he is grazed by an oncoming car, which changes the trajectory of his life. The Man Who Saw Everything is about the difficulty of seeing ourselves and others clearly. It greets the specters that come back to haunt old and new love, previous and current incarnations of Europe, conscious and unconscious transgressions, and real and imagined betrayals, while investigating the cyclic nature of history and its reinvention by people in power. Here, Levy traverses the vast reaches of the human imagination while artfully blurring sexual and political binaries-feminine and masculine, East and West, past and present—to reveal the full spectrum of our world.

BARE, a hot new standalone novel from New York Times and USA Today bestselling author, Deborah Bladon. The first and last one-night stand I had ended with zero orgasms for me and my wallet gone. I fell asleep after the man who called himself Kent rolled off of me and out of my life. The only thing he left behind was a business card on the floor next to the bed. Griffin Kent. Attorney at Law. Since I don't know a soul in New York, I head straight to the jerk's office on Madison Avenue to get back my wallet and reclaim my pride. I'm not prepared for what happens when I arrive at the prestigious law firm of Kent & Colt. I doubt that the real Griffin Kent would leave a woman unsatisfied in any way. He's tall, dark haired and dangerously handsome. He's also the complete opposite of the imposter I spent the night with. The arrogant attorney orders his assistant to help me, but he's the one who enrolls in the art class I came to Manhattan to teach. He may be my student, but something tells me that Griffin is going to be schooling me in the art of seduction. Author's Note: This sexy standalone novel contains a dirty talking attorney, nude male models and a touching HEA. Although some characters from my previous books appear in BARE, you don't have to read any of my other books to enjoy this breathtaking romance!

From New York Times & USA Today Bestselling Author, Deborah Bladon.The Exposed SagaPart OneHarvard student, Sadie Lockwood, was given a second chance and she's determined to make it count. She planned her life out with precision and she refuses to be deterred from her course. She knows what she wants and that is to honor the person who lost their life to save hers.When Hunter Reynolds steps into Sadie's world, she is knocked off of her axis. He's bold, charismatic and intense. She's committed to not let him lead her off her prearranged path but he's persuasive and a little fun never hurt anyone, right?As Sadie sets out on a journey to pull back the layers of Hunter's emotional facade, she begins to question the very heart that beats within her. Will shedding her own inhibitions help Sadie to accept the man she craves or will everything change once all is exposed?Part TwoHunter was everything Sadie always wanted. He was powerful, dominant, gorgeous and, most of all, he wanted her exactly as she was. When she threw caution to the wind and jumped into his bed, she believed that her life was finally beginning. She was ready to start living and he was the one person she knew she could trust with her heart.That was until she found out that Hunter had owned her heart all along. When his past comes back to overturn Sadie's present in a way she never could have predicted, what will be left of the two of them?As Sadie struggles with embracing the truth, she's struck with a reality that makes her breathless. First loves, new loves and an unthinkable future leave Sadie reeling. Is her heart strong enough to accept the unavoidable truth?Part ThreeHunter changed Sadie's entire life. After discovering his connection to her past, she was ready to let go and embrace her new life. That one fateful night in Manhattan changed it all. After seeing Hunter for who he really is, Sadie must face painful truths about his past and their present. Her heart is pushing her in one direction. Her mind is pulling her towards a different path. Will Hunter's eventual confession change everything?As Sadie tries to accept who Hunter really is, she's forced to confront realities she never knew existed. She believes she's ready for it all, but is her heart strong enough?More Exposed - Part FourSadie Lockwood thought she had the perfect life. She loved Hunter Reynolds, she was studying to be a doctor, and her entire future was planned out. Everything was going her way!It all shattered when Hunter's past collided with their future. The one secret he kept from her barreled back into their lives, crushing everything in its path. It shattered all they held dear and it threatened them both in ways they never imagined it wouldHunter was everything she ever wanted. He told her he couldn't breathe without her. What happens when her very breath is stolen because of that love?

A beautiful and sensuous woman, Freddie Walker, has fallen into the hands of a vain and greedy businessman, Jimmy Tate. His notorious reputation and illegal business practices allow him to take and make all the money he can. To Jimmy's astonishment Freddie has fallen in love with another man and is ready to change her life. On a stormy night she has decided to take her children and leave Jimmy for good. When Jimmy finds out he goes berserk and attempts to kill her. But her best friend, Ruby Johnson, a woman of deep faith who has a special relationship with God, arrives just in time. Inside Freddie's dark bedroom a struggle ensues and Jimmy is killed. The children are sent to foster homes and separated from one another. Freddie and Ruby are sent to prison. But did Ruby really kill Jimmy? What sacrifices did Freddie make for the sake of her children? What secrets did she keep from them? What is their legacy? As adults, will they have the courage to meet each other to find out? "Two kinds of color" is the story of a mother's love and sacrifice for her divided children—a story of the real meaning of having a true best friend. It is the story of surrender; of having faith and belief in God. It is the story of the breaking and then the making of a family.

The author of You Just Don't Understand decries the state of public discourse in America, showing how it operates as a debate between false extremes rather than a dialogue in pursuit of complex truths. Reprint.

From New York Times, USA Today and Wall Street Journal bestselling author, Deborah Bladon, comes Hush, the first instalment in the Just This Once Series. I have three hard and fast rules when it comes to one-night stands. Don't tell her your last name. Don't take her home with you. Don't knock her up. I'm screwed. Jane Smith was supposed to be a quick fling. I saw her as a brief escape from the never-ending drama that is my life as a surgeon in New York City. Now, she's pregnant and scared as hell. Oh, and apparently her real name is Chloe Newell. It's probably not the best time to tell her that I'm the guy who ruined her life two years ago. Author's Note: This romance contains a gorgeous doctor, an unexpected pregnancy and a past connection between the hero and heroine that could change everything. Hush is part of the Just This Once Series. Each book features a different couple and the books are not connected so they can be read in any order.

Deborah Eisenberg is nearly unmatched in her mastery of the short-story form. Now, in her newest collection, she demonstrates once again her virtuosic abilities in precisely distilled, perfectly shaped studies of human connection and disconnection. From a group of friends whose luck in acquiring a luxurious Manhattan subplot turns to disaster as their balcony becomes a front-row seat to the catastrophe of 9/11; to the Roman holiday of a schoolteacher running away from the news of her ex-husband's life-threatening illness, and her unlikely guide, a titled art scout in desperate revolt against his circumstances and aging; to the too painful love of a brother for his schizophrenic sister, whose tragic life embitters him to the very idea of family, Eisenberg evokes "intense, abundant human lives" in which "everything that happens is out there waiting for you to come to it."

SIN, a hot new standalone from New York Times, USA Today and Wall Street Journal bestselling author, Deborah Bladon. West. That's what he said his name was when I met him on the flight from New York City to Las Vegas. I was on my way to sin city for a bachelorette party. West had business there. He was wickedly handsome, demanding, and the intensity in his eyes melted me from the inside out. I left his hotel suite before he woke up because a one-night stand is just that. It's one night of pleasure that doesn't seep into the next day. At least that's what it's supposed to be if it doesn't go completely wrong. I didn't give him my real name. We never exchanged numbers. West didn't need any of that to find me. All he had to do was look across a conference table in Manhattan two months later. Out of all the advertising agencies in the city, Jeremy Weston chooses the one my father owns to work on the campaign for the launch of his company's latest product. I try to pretend I'm not the woman he spent a night with in Las Vegas, but my body betrays me. Not everything that happens in Vegas stays there. The sin of my past proves that. Author's Note: Although some characters from my previous books appear in SIN, you don't have to read any of my other books to enjoy this swoon-worthy romance!

" Rarely will a book touch your heart like A Place to Call Home. So sit back, put up your feet, and enjoy. " —The Atlanta Journal and Constitution Twenty years ago, Claire Maloney was the willful, pampered, tomboyish daughter of the town's most respected family, but that didn ' t stop her from befriendng Roan Sullivan, a fierce, motherless boy who lived in a rusted-out trailer amid junked cars. No one in Dunderry, Georgia—least of all Claire ' s family—could understand the bond between these two mavericks. But Roan and Claire belonged together . . . until the dark afternoon when violence and terror overtook them, and Roan disappeared from Claire's life. Now, two decades later, Claire is adrift, and the Maloneys are still hoping the past can be buried under the rich Southern soil. But Roan Sullivan is about to walk back into their lives. . . . By turns tender and sexy and heartbreaking and exuberant, A Place to Call Home is an enthralling journey between two hearts—and a deliciously original novel from one of the most imaginative and appealing new voices in Southern fiction. Praise for A Place to Call Home " A beautiful, believable love story. " —Chicago Tribune " For sheer storytelling virtuosity, Ms. Smith has few equals. " —Richmond Times-Dispatch " Enchanting new novel . . . a beautiful love story of reunion. " —The News & Observer, Raleigh, NC " Stylishly written, filled with Southern ease and humor. " —Tampa Tribune

#1 NEW YORK TIMES BESTSELLER • " The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly. " —Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE " MOST INFLUENTIAL " (CNN), " DEFINING " (LITHIUM), AND " BEST " (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE ' S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine. The first " immortal " human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb ' s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta ' s family did not learn of her " immortality " until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta ' s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn ' t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, The Immortal Life of Henrietta Lacks captures the beauty and drama of scientific discovery, as well as its human consequences.
