Manual - Simpson SWT6541 Washing Machine

The Simpson Advantage. As the co-owner of an industrial cleaning and painting company, Jack Simpson created the first SIMPSON pressure washer in 1961. The new pressure washing technology gave Jack ' s crew a clear advantage and they quickly became known for delivering higher quality work in a lot less time than their competition.

Welcome to Simpson

Try to redistribute the clothing within the washing machine tub. When the washer is out of balance, it will automatically stop until you can get the clothing back in balance. After redistributing the clothing, close the lid again. The machine should start spinning automatically if the load distribution is correct.
