Evangelicals stand divided in their view of women in the church. On one side stand complementarians, arguing the full worth of women but assigning them to differing roles. On the other side stand egalitarians, arguing that the full worth of women demands their equal treatment and access to leadership roles. Is there a way to mend the breach and build consensus? Sarah Sumner thinks there is. Avoiding the pitfalls of both radical feminism and reactionary conservatism, she traces a new path through the issues--biblical, theological, psychological and practical--to establish and affirm common ground. Arguing that men and women are both equal and distinct, Sumner encourages us to find ways to honor and benefit from the leadership gifts of both. *Men and Women in the Church* is a book for all who want a fresh and hope-filled look at a persistent problem.

"Adam! Where Are You?" addresses the question of why the black church is 75% female and offers ways to bring the black men back to God.

This updated second edition of the Catechism of the Catholic Church incorporates all the final modifications made in the complete, official Latin text, accompanied by line-by-line explanations of orthodox Catholicism, summaries of each section, a detailed index, extensive cross-references, and helpful footnotes.

This book will forever change the way you think about church! The statistics are clear: The American church is in decline. People are leaving in astounding numbers, with no sign of a turnaround. And despite church leaders’ best efforts to stem the tide, more than 80 percent of people are finding something better to do on Sunday mornings. Why? Is there hope for the future of the church? In this groundbreaking new book, Thom and Joani Schultz expose the church practices that are driving people away and thwarting spiritual growth. Yet they also reveal what can bring them back—the four keys to reaching the “unchurched” and the “dechurched.” The bad news? Your church is probably missing the mark when it comes to the core of Christianity. The good news? There’s hope. Lots of it. The truth may surprise you...but it can also transform your ministry into something truly irresistible.

They're called The Dones. After devoting a lifetime to their churches, they're walking away. Why? Sociologists Josh Packard and Ashleigh Hope reveal the results of a major study about the exodus from the American church. And what they've discovered may surprise you... -Church refugees aren't who you'd expect. Among those scrambling for the exits are the church's staunchest supporters and leaders. -Leaving the church doesn't mean abandoning the faith. Some who are done with church report they've never felt spiritually stronger. -The door still remains open—a crack. Those who've left remain hungry for community and the chance to serve—and they're finding both. Sifting through hundreds of hours of in-depth interviews, Packard and Hope provide illuminating insights into what has become a major shift in the American landscape. If you're in the church, discover the major reasons your church may be in danger of losing its strongest members—and what you can do to keep them. If you're among those done with church, look for your story to be echoed here. You're not alone—and at last you're understood. Share your story at TheDones.com

Jesus loves people. Wouldn't it make sense that those who claim to love Jesus would love the same people Jesus loves? Nouns need verbs, a requirement that's more than just a grammatical truth; it's a spiritual truth. The noun Christian and the noun church require action verbs to fulfill their purpose. That's why Jesus invites Christians and churches everywhere to perform the greatest action of all: loving people. Jesus Prom is an extravagant party that celebrates the very people Jesus died to love. You will laugh and cry as you move through the pages of this book, and by the end of it, you'll want to join the dance.

Goodbye, Good Men uncovers how radical liberalism has infiltrated the Catholic Church, overthrowing traditional beliefs, standards, and disciplines.

Bestselling Author Offers Women New Insights into the Confusing Inner World of Men It's the rare woman who isn't perplexed by her husband. What's going on inside his man-brain? What secrets is he keeping? What is he afraid of? Why is he so obsessed with (fill-in-the-blank)? Why do men see things so differently? And what about his spiritual life (or lack of it)? David Murrow leads women on a groundbreaking tour of a man's heart, mind, and soul. More than just a book about what men think, it explores the deep forces that determine what they say, do, and believe--secrets most men do not give voice to. Readers will be surprised, fascinated, and encouraged by what they find.
